Multimedia Designer

Motivated multimedia designer with 5 years of experience in print and digital design. Experienced in presentation design, branding, and UX/UI. Well-versed in the Adobe Creative Suite, Microsoft Office, front-end web development platforms, and prototyping/wireframing softwares.

Experience

Multimedia Specialist

(August 2022 – present)

Indegene (AstraZeneca Partnership), Gaithersburg, MD (remote)

- Support client project needs for front-end development of web-based media such as websites, web banners, videos, animation, PowerPoint presentations, infographics, and print materials
- Effectively collaborate across teams to plan, design, and create multimedia assets for the U.S. pharmaceutical market
- Coordinate with medical copywriters to design assets with copious medical terminology, using meticulous attention to detail
- Create structured handoff packages for production partners where necessary

Graphic Designer

(July 2020 – August 2022)

Mission Control Inc., Glastonbury, CT

- Designed 3-5 direct mail pieces for our clients per day, in an extremely fast-paced environment
- Created mail pieces that aided in the election of 2 U.S. Senators as well as many other politicians across the country
- Started as a temporary hire on a 3-month contract, but was chosen out of several other designers to stay as a full-time graphic artist

Graphic Designer

(May 2020 – July 2020)

A la Maid, Clinton, CT

- Coordinated with owner to produce designs for mail collateral
- Managed multiple social media accounts in accordance with brand guidelines
- Developed and edited content for company website
- Designed email templates and managed contact lists

Student Graphic Designer

(January 2018 – May 2020)

ECSU Intercollegiate Athletics: Sports Information, Willimantic, CT

- Successfully developed the Athletic Department's print collateral from sketch to finished product
- Worked with Sports Information Director to produce website graphics for University's athletic site
- Consulted with department's coaches and staff regarding their graphic design needs and questions

Creative and Graphic Design Intern

(January 2019 – May 2019)

Serene MGMT, Washington, DC (remote)

- Produced presentation-ready design mockups for firm's clients
- Coordinated with clients and other employees to create digital and print collateral for clients' social media content
